

God Made Us And Put Us Together To Love

By the time you're finished reading this, it's hoped that you will better understand What all God has planned for each of us and where you fit into His puzzle pieces?

Before we go much further, let's see what we are not...If all we did was wake-up Eat breakfast, get ready for work, go to work, after a few hours eat some lunch, Then work a few more hours and go home, eat some dinner and watch television, Or on some nights dine out and take in a movie, then returning home fall asleep. <Does this look like a typical weekly schedule, you might keep over and over?> *If that's all what He intended, God would of made us robots lacking in love or feelings.*

Do you wake up and toss a coin to plan each day, heads or tails that's your life? You called heads but got tails, if you didn't like it...Would you try for 2 out of 3? There's 2 ways to see the future. One is the worldly way. The other is spiritual. *Jesus looked into the future and saw a person's potential beyond their present condition.*

When you see yourself or gather information about anyone else, you'll find flaws. Some will have been wrongfully imprisoned and want to recover or end the pain. And some will be looking to find a new friend, or a mate to spend a lifetime with. *Have you ever been in love? See how He sees...God made us and put us together to love.*
