

God wanted you to be our Mom

(I don't know where to begin) You have done so much for us youngsters.
(Where do we go from here) Ummm, we can follow the same journey together.
(Either or) Whatever God may send into our path we know it's only for the best.
(I'd say that's enough) Chuckle, laugh, smile, we know you're our Mom, Thanks!

(To all Moms out there on Mother's Day) That'll just have to do for now.
