The Best Of All Things

We would like to extend a friendly welcome to you as one of our new neighbors.

Sometimes moving into a new community can be as if you're starting from scratch.

If, at any point, you find this to be the situation, we hope you'll see better days soon.

(And if you discover that you could use some assistance from the Lord's body, just ask.)

The members of your local Church of Christ gather together each Sunday to worship God.

And Jesus our Savior instructs us **"Thou shalt love thy neighbour as thyself."** Matthew 22:39
Our walk on earth can sometimes be a struggle ~ Together we can find the best of all things.
