## Time has limits

(Dating, marriage, and starting a family) If you want to have your own biological children, realize time has limits.

(Education, employment, and work) If you want to take care of your family and watch your children grow, recognize time has limits.

(April 15<sup>th</sup>, August 15<sup>th</sup>, and October 15<sup>th</sup>) If you don't pay the IRS income taxes by one of these set deadlines, you will learn time has limits.

(Bell peppers, carrots, and purple hull peas) If your first package of seed doesn't sprout, get ready to plant more because time has limits.

(Learning the truth, becoming a Christian, and working for God) If you don't act on these before your physical life ends, understand time has limits.

(Cornerstone, bricks, and mortar) If you only serve God in a **walled structure**, your ability to "love thy neighbor" time has limits.

(1 calendar, 12 months, and a specific number of days) If you live your life saying, "Everything can be accomplished later." Know that time has limits.
