

## What Can We Say

Looking back over time, many have failed.  
And You get frustrated with our weaknesses.  
How many times will You allow us to fall down?

In the days of Noah, You became extremely upset.  
Today and right now...Where are we in comparison?  
How many of us are they're who'd be instructed to build?  
What would we build? And just how many would it take?

There are currently 6.3 Billion men, women, and children.  
Lord, what can we say...Love us and guide us each day.

With the warmest and most sincere words we can pledge to You,  
We are praying/seeking only to do what You would have us to do.  
And recognizing no man knows how to create a single drop of rain.  
But knowing when the rain shows up You are answering our prayers.  
Teach us to work and walk...There's absolutely no doubt, we love You.  
Respectfully submitted through Your Son and our Redeemer. Amen.

PS - If there's something to be built...Today/right now  
To help restore some of Your flock and save the lost,  
Please send the Spirit to guide our hands and may all  
of Your body parts, the church, learn to work together  
no matter what location in the world they may be.
