

What is Impossible?

Have you ever said a prayer that your comfort within God's hand would be strong? Then, you started to worry. Is this how it is supposed to be –or– would you like to turn the world upside down? You know ~ God, Help Me!!! It's so easy to say the words when you're asking for them...when they can't be found, are you hungry? What is it? What do you want? I'll give up. If you want something, would you watch others? Don't let anyone discourage you. Never say never...because you may need to change your mind at another time. Knowing this, would you say never? Each day you make your thoughts known drawing closer to God. Put your mind at ease. Do what you know is right.

To the Christians who read this text, may you have a long and fruitful ministry...Lord, help us to be good stewards of your word and let us all share the gospel daily. {*There is no brighter light than being able to share the love of God.*}

What is impossible? Maybe you are finding it difficult to start a family, maybe it's getting into your preferred college, or maybe it's finding the strength to stand up and share the gospel with your neighbors –or– those whom you met.

Let us read these words of encouragement. Matthew 19:25-26...Who then can be saved? But Jesus beheld them, and said unto them, **With men this is impossible; but with God all things are possible.** Have faith and trust in God.
